## COUNTRYSIDE CHALET

*Wedding Venue*

Countryside Chalet provides a beautiful setting on nearly 10 acres.

Our venue includes an estate house with five bedrooms and five full bathrooms, an event pavilion accommodating over 200 guests, a multi-level landscaped outdoor ceremony site and a secret garden offering relaxing gathering areas. These spaces are located behind thick trees nearly  $\frac{1}{4}$  mile off of the paved county road providing a uniquely private setting.

Countryside Chalet was created as a property rental venue allowing you maximum flexibility to bring your own vendors and to create your dream event.

We would love for Countryside Chalet to be the location for your big day!

## *Bar/Vendors*

---

We have an open vendor policy.

You can also bring your own alcohol to supply the bar (\$\$ saver!).

If you have alcohol, you must purchase event insurance (we can help you with this).

If you have alcohol, you must have licensed bar tenders (not members of the wedding party/wedding guests).

# On Hand Inventory

Please share this inventory list with your vendors. We work directly with our couples and are not able to respond in a timely manner to vendors individually. Please let your vendors know that we are not able to take vendor calls as we are a property/facility rental venue only and have limited knowledge of your specific event details. Please provide your table setup plans to your vendors as needed.

A wedding coordinator is highly recommended in helping to manage the creation of your dream event with your vendors. Countryside Chalet can provide a list of vendors who have stated interest or have provided services at our location. However, we do not provide a guarantee of any sort regarding any vendors services or quality. Feel free to arrange visits to the property with your vendors if needed.
